## **YEAR 5/6 CLASSES UPDATE.....**

Over the last two weeks the year five and sixes have been very busy with NAPLAN testing, afternoon sport and assessment.

Last week the year fives started NAPLAN with the writing test and for the first time, typing their text instead of handwriting. The students have tried their best and have enjoyed using the different online tools.

Last Friday were the last matches for Afternoon Sport. Over the term, the students have played t-ball, Newcombe ball and cricket against East, Glennie and West. Central had a winning game against Glennie with the cricket and against East with Newcombe ball. Overall, the students gave it their all, with a few funny stories to tell about catches and running to home base.

Along with the national testing of NAPLAN, the student have also been expected to complete assessments for various subjects in class. These assessments have been completed in various forms and have been quite challenging due to the applied knowledge students are expected to display.
